

## London Learning Cooperative

### **Job advert: Freelance translator**

The London Learning Cooperative is continuously building its team of linguists. We are looking for qualified and experienced freelance translators to provide a professional translation service across a variety of languages.

### **About LLC**

LLC is a radically inclusive, internationalist and anti-imperialist tuition agency. We connect students wanting to learn languages with tutors in formerly and currently colonised societies like Palestine, Pakistan and Ireland. We seek to discuss and understand imperialism in order to set about reversing its flows of wealth, people, knowledge and power. We connect students and teachers via online platforms to foster language and cultural exchange, and in doing so are building a truly global network.

We have spent the last several years developing our international network of tutors. We now have a presence in France and Britain as well as Ireland's occupied six counties, Pakistan and Palestine.

Our tuition agency is committed to four principles:

1. Radically inclusive pricing. Students pay what they can afford for a lesson.
2. Learning as a dialogue aimed at understanding and transforming society and the economy.
3. Creating bonds of solidarity between imperial core and periphery.
4. Workers' power and democratic, cooperative governance.
